

The diagram shows a vertical rectangular template for a Blade-Shape Flag. It features three nested shapes: an outermost blue line representing the bleed area, a middle black line representing the crop area, and an innermost pink dashed line representing the type safety area. The top-left and bottom-right corners of all shapes are rounded. The text 'Blade-Shape Flag MEDIUM' and '27.6" w x 118" h' is centered in the upper portion of the template.
